PEACE MASSAGE

Enter into a state of deep relaxation and healing with a luxurious customized massage. Soothe your tired muscles with gently heated oil and aromatherapy and integrate your body into deeper states of relaxation and healing.

EXTREME BLISS

Calm your mind and spirit with this immensely relaxing massage to the extremities. We'll focus on the face, scalp, ears, shoulders, and neck, releasing layers of mental tension, and end in a blissful and grounding massage to the hands and feet.

CUCUMBER REFRESHER FACE TREATMENT

Give new life and energy to your face with the power of cucumber and mint! Our facial massage and acupressure will melt tension while our custom-made products will leave your skin glowing anew. This blissful journey includes a custom-made facial cleanser, refreshing scrub, and hydrating face mask, all ending in a grounding foot treatment.

GLOWING PAPAYA SUGAR SCRUB

Experience tropical bliss with the superbly healing fruit of papaya. The gentle exfoliation of sugar and nutrient-dense, anti-inflammatory local papaya will remove dead skin cells, boost immunity, while soothing, hydrating, and brightening your skin. Find a new glow from the inside-out with this supremely refreshing and nourishing scrub!

PADA PURE FOOT REFLEXOLOGY

The best treat you can give to your tired feet! Start with a gentle ex-foliation to awaken your feet before experiencing the deep and effective pressure points of reflexology. Your whole body will reap the benefits, as reflexology stimulates digestion, reduces edema and blood pressure, soothes headaches, and elevates mood. Ending with a relaxing foot massage, this treatment will leave you feeling firmly grounded and re-connected.
